ENTERPRENEURSHIP WORKSHOP -COLLABORATION DISTRICT INDUSTRIES CENTRE -Govt. OF UTTARAKHAND

01-10-24

This is to inform all the teaching and non-teaching staff that the Sansthan has got the approval for conducting the short-term course of 50 days in collaboration with the District Industries Centre -Government of Uttarakhand. The two courses sanctioned are:

1. Handloom Designing on the looms.
2. Traditional arts and design of Uttarakhand -emphasis Aipan art.

This sanction is a step forward in the direction of providing learning opportunities to our students and enhance their skill-set. This will also expand their horizon of knowledge and experience on the various facets of the industry. The details of the short-term course are:

- B S Negi MPPS shall be the nodal centre to conduct the above two courses.
- The entire duration of the course is 50 working days.
- The course is primarily for the girls/woman above the age of 18 years.
- The course shall commence from the third week of October 24.
- The batch strength of 20 students shall participate in each course.
- The timings of the course classes/training shall be from 12:15 pm to 5:15 pm.
- The State Government shall provide the resource/trainer for each course.
- The material for training shall also be provided by the DIC.
- The learners/students shall be paid a stipend of Rs.150/per day.
- The good samples/art work shall be purchased by the District Industries Centre.
- The best samples/artwork selected can fetch work orders by the State Government.
- The student details as required by the DIC are

SNO:	STUDENT NAME	FATHERS NAME	AADHAR NUMBER	CATEGORY	CONTACT NUMBER	ADDRESS	BANK DETAILS	E-MAIL

- The In-charge for the coordination of the entire course are Ms. Poonam Dhyani and Ms. Manju Gulati.

LET'S MAKE THE BEST OUT OF THIS OPPURTUNITY!!
