PROJECT SWAVLAMBAN

07-08-24

The B S NEGI MAHILA PRAVIDHIKPRASHIKSHAN SANSTHAN is committed to the mission of Women Empowerment and making the young girls self-confident and financially independent.

In the efforts to develop a self-sustainable model for the Sansthan, we plan to start some projects with the intention to prepare a model for the production of mass-scale products relating to the skill-based courses being taught in the Sansthan.

The project is named as – “PROJECT SWAVLAMBAN”

The word 'Swavalamban' Meaning -: Self-reliance (Swavalamban) is the ability to do things and make decisions by yourself, without needing other people to help you.

The first project to be taken up is the making of the “PAHADI TOPI “. This project is conceptualized by the GB member Mr. B P Nautiyal.

The other projects with the screen printing or fabric printing shall also be taken up in due course in collaboration with competent persons/organizations.

The teaching and non-teaching staff is requested to share innovative ideas with the core -Committee and then let’s work towards a plan for making the Sansthan self-sustaining and vibrant for a better future ahead.
